Snowflake Place is a non-profit registered charitable organization.

Snowflake Place provides multi-system collaboration in child abuse investigations, ensuring children, youth and their families receive support and services in a safe, neutral, family friendly setting.

Snowflake Place offers a central service approach for child victims of abuse. Partner agencies involved in child abuse investigations, are able to engage with the child victim and their non-offending caregivers, conduct interviews and provide supportive services.

Snowflake Place provides:

- A child and youth friendly facility
- Support, guidance and information
- A multi-disciplinary team approach to child abuse investigations
- Best practice forensic interviewing techniques

Every snowflake is delicate and unique, as is every child seen at Snowflake Place
